COMOR-D-15/2

28 December 1960

MEMORANDUM FOR:

COMOR

SUBJECT:

Consolidation of Procedures for
Downgrading and Release of
Materials on the USSR

Subsequent to the approval by the United States Intelligence Board on August 30 to permit downgrading and release of materials obtained over the USSR prior to May 1, 1960, from the TALENT Security Control System, several additional problems arose which the COMOR handled by way of a supplementary statement of interpretation for clarification. For the convenience of the members, there is issued herewith a revision of the original USIB decision [redacted] 2 September 1960) to include (a) a clarification bearing upon the handling of graphic materials approved as [redacted] with minor amendment and (b) a clarification of oral discussion of TALENT material downgraded but not based upon published reports (COMOR-D-15/1, TCS-8058-60/A).
